Shannon, here are the source files for the program. I'll hand carry the hard copy layout to you soon. We'll need SUPR approval once we have a draft.

Legend text for site map:

### **West Lake Landfill Superfund Site Map**

**Operable Unit 1** includes two parcels—Area 1 and Area 2, which contain radiologically-impacted material.

**Operable Unit 2** — did not receive any radiologically-impacted material.

**Bridgeton Landfill** South Quarry and North Quarry—did not receive any radiologically-impacted material.
